1. The following items are those which Mr. Clifford has indicated to the Director that he would like to discuss on Friday which directly concern the DD/S&T.

"National Reconnaissance Office. (DCI's views on adequacy of current organization; operations and funding; status of OXCART and TAGBOARD programs; status of efforts to eliminate Agena-related failures.)"

The brief response to the President's Board on this subject should be expanded with specific reference to the subjects referred to above.

2. In addition to these subjects the DCI also wishes to discuss satellite coverage, and has already levied a request for a full roundup and appraisal in this regard.
